### Discussion Questions and Suggested Readings for “What’s the Message?” Lessons

#### Lesson Ten

##### Questions:

What does Abram’s response to God’s call and covenant tell you about the character of the man?

Contrast what you have determined about Abram with the character of Lot. What does the fact that Lot moved into the wicked city of Sodom tell you about his regard for God’s covenant and call to obedience?

How about your own level of obedience? Does it measure up to the level of Abram, or that of Lot?
