Discussion Questions and Suggested Readings for “What’s the Message?” Lessons

Lesson Fourteen

Questions:

Have you ever had doubts that The Lord could do something for you?
Something as miraculous as what He did for Sarah?

Is there anything beyond God’s capability to do? If not, then why do
so many of us have doubts? What is it a sign of?

How do you handle events in your life that are completely beyond
your control? Such as a serious illness?

Can we bargain with God and make a deal?

Have you ever thought about a sin that perhaps you, or someone close
to you, has committed and you considered it too awful for God to
forgive? Can we then disregard His statements about obedience and
punishment?
