Discussion Questions For “What’s the Message?” Lessons

Lesson 28

Questions

The design of the total Tabernacle “complex” was that a series of curtains established the outer limits, while the Tabernacle proper was set inside the courtyard that was created. In turn, the Tabernacle was divided into two rooms, the Holy Place and the Most Holy Place. The Israelites could come into the courtyard, but only the priests could enter the Holy Place of the Tabernacle. Why this restriction, and why was this significant?

Further, even the priests were forbidden to enter the Most Holy Place. This was restricted to the High Priest alone, and even to him, only at certain times. Why? Why was this area so important?

What was the purpose of the Tabernacle? Why was it significant to the People of Israel?
