Discussion Questions and Suggested Readings for “What’s the Message?” Lessons

Lesson Six

Questions:

In lessons five and six the concept of selection-and-separation was introduced. Does it seem strange to you that God would select only one person out of a family to do His work? Why Seth, and not some other son of Adam? Why Noah, and not someone else?

Is this an important concept to think about? Why, or why not?

Suggested reading for further study:

The Flood, by Dr. Alfred M. Rehwinkle, from CPH. This book shows that harmony exists between the Biblical record of the flood in Genesis and natural science.
