

Stay and Play

Stay and Play is held from 11:30 am-2:00 pm and is being offered to LOG students 2 & 3 years of age who attend a morning session. Children bring their lunch each day and engage in supervised play activities. Teachers play, interact and converse with children throughout their time together. Board games, play-doh, free art, story time and other “organized” fun will be incorporated regularly. Three year olds must be potty trained.

Extended Day

Extended day is held 11:30am-2:00 pm Monday-Friday. This program offers opportunities to enrich learning for children enrolled in morning Monday through Friday Pre K class and is designed to focus on gaining knowledge through hands-on exploration of specific themes.

Enrichment

Enrichment classes are offered periodically throughout the year in order to provide a creative outlet for children to apply and develop upper level thinking skills, as well as be exposed to new techniques and concepts in the area of art, language, etc. Enrichment classes are held one day per week for an 8 week session. Class and registration information will be distributed to all ECM students in the Fall and Spring Semesters.
